The Project:

The Board of Management of the school approached The Kenya Trust via the Territorial Headquarters of the Salvation Army in Kakamega, Western Kenya requesting lockers for pupils and teachers desks and chairs.

The specific request was for 288 lockers for pupils from Year 5,6,7 & 8 and also for 24 teachers desks.

In previous years The Kenya Trust had been involved in assisting the school with the rebuilding of the classrooms.

This lady owns the furniture factory in Kisumu where the lockers and tables were made. She is also a member of her local Salvation Army church. This picture is taken in her workshop in October 2019
